**Let's Keep in Touch!** In an effort to facilitate communications within our church groups and to save some print and mailing costs, we are going to begin to develop a directory of email addresses within our church. This should save some time for our team and group leaders, as well, in communicating with those in our congregation who use email. Of course, privacy is important, and if you have an email address and prefer not to share it, that wish will be respected. This is a supplement to, not a replacement of, phone/mail/personal contacts. If you wish to be included in this list, to be used only within our church, please email the church office (office@umcrc.com), or indicate your email address on the attendance pad on Sunday morning. We will make every effort to keep this list updated, so please let us know if you change email addresses in the future.
