Dear Brothers and Sisters,

Today was the opening day of LAC, probably 1,000 people in the gym of the UM school here in Gbarnga, "Banga", and team from Oklahoma, and the team from E. Ohio, with Edie from Detroit conf, and Deb from W. Mich, conf, got to sit right up front! It has been a fantastic day, plus I got to stand up front and personally hand over the Power Bible CD's to Bishop Innis, and convey greetings from Bishop Jonathon Keaton, the W. Mich conf, the Heartland District and our DS David Hills. The music was amazing, the guest soloist powerful, the choir and dancing wonderful, and the communion service so moving I cried again! Tonight I met a DS from Sierra Leone, who was a Muslim-many there are. Her son was epileptic, 6-7 seizures a day. Someone told her she needed to try Jesus, and her son said "Mom, you need to pray!" Then he went down to 1 seizure a week, then 1 a month, now he's graduated with a Bachelor's degree! And she's been serving in the UMC, now a DS with 4 churches with buildings, and several more home churches, without buildings! It was a fantastic day of seeing Jesus Christ bringing LIFE to dry bones!
