Dear Friends,

Jeremiah took Tabby, Judah, Cherith, Nadine and I, to this lovely place, way out in the bush that I would call 4-wheelers heaven. Drove on 2-tracks that were cattle paths, as far as we could go, then jumped out and walked downhill and up and down some more! It was well worth the work! We met Ruth and Alex, coming down for water and a little charcoal production. The children had a wonderful time playing in the water, and we walked a little farther to see the big falls. Spectacular! On our way back across the water, here come 2 young men driving/dragging a donkey, with the rope around one front hoof! One man had the other end of the rope, and the other had the inevitable stick. Crossing the water wasn't too bad, but I had a hard time imagining how that donkey was going to navigate the steep rocky paths! As we climbed the hill to get to the jeep, I knew why Debra had chosen to stay home!
