Dear brothers and sisters,

Arrived in Nairobi Wed. 11:30 pm, however I "gained" 8 hours, so time became a little fluid! Nadine and Hosea, the local pastor, were at the airport to pick me up, and take me to a hotel. Thursday morning we got on the "Easycoach" bus, rode most of the day to Kitale, and met Debra and Jeremiah at the bus stop. Nadine has graciously offered to share her house with me! I have a "suite" of rooms, "you can spread out" she said! This morning I met Florence, Hosea's wife, and she showed me her shamba-garden, with lots of stuff I recognized, and some much less familiar. Jeremiah is busy with the church people's business, and Debra is doing school with the children. Coming from Nairobi, I saw a whole herd of zebras! Lots of beautiful flowers, lots of people lining the roads, wanting to sell their produce and goods. Thank you for all of your prayers-God has lots of work for us to do here!
